Edgewood News & Events

Congratulations on your success!

Alrae Greene has been actively involved with both Edgewood Village resident services and the Family Self Sufficiency (FSS) Program through AMHA. Alrae has tirelessly worked on achieving her goals and did not let the many set backs she encountered deter her from achieving her dreams. Alrae graduated from Regency and obtained her cosmetology license, shortly after graduation. She went on to briefly work in a salon under the guidance of an established stylist. However this was not the vision Alrae had for herself.

Alrae dreamed of owning and operating her own salon, with assistance from Edgewood Village Resident Services Department, Alrae enrolled and completed a business training program through the Akron Urban League. She worked on creating a solid business plan and took steps to make her dreams come true. Most recently Alrae obtained her Managers license, another step needed to see her goal of operating her own business come true.

Later this year, Alrae became her own boss, she currently operates her own business at Salon Lofts in Montrose. Congratulations Alrae, on your many successes, keep up the good work!
